HOBBY COURSES

An Introduction to Interior Design

This course will provide learners with an opportunity to acquire an understanding of basic design principles of interior design. It will help to inspire your natural creativity and is delivered in a relaxing manner. It introduces the elements of design, demonstrating that there is more to interior design than just DIY! You will gain a base knowledge to start planning a room of your own. This course is for those interested in creating more harmonious home interiors, balancing functionality with appearance. The class tutor, Roisin Allen Coyne, has a BA (Hons) in Interior Architecture and is a member of the Interiors Association.

Tuesdays 7.30 – 8.30 | Duration: 6 Weeks | Fee: €60 | Starts: 5th March 2019

Fashion Design

An introduction to fashion design, taught by an industry professional, which will take you through the process of designing your own garment, from inspirational sketch to a final drafted pattern. The objective of the course is for you to have a pattern of your own design ready for production, so whether you're merely curious as to what a fashion designer does, or whether you have ambitions to become a fashion designer yourself, over the ten weeks you will be brought through the whole process of getting your idea from sketch to production.

Tuesdays 7.00 – 9.00 | Duration: 10 Weeks | Fee: €100 | Starts: 29th Jan 2019

Save Money with Car DIY

Applicants will be offered a basic overview of the systems and components that comprise a modern, private or commercial vehicle, with a view to saving money on annual service fees. These systems include: braking systems, engine (petrol), engine (diesel), manual gearbox, suspension and steering, and engine management systems. Applicants will be taught how to conduct basic servicing and maintenance on their own vehicles, with an emphasis on safe working practices, sourcing correct replacement parts and the responsible disposal of waste lubricants e.g. engine oil. Applicants will be shown how to use technical resources to obtain information pertaining to their specific vehicle. Applicants will be taught the importance and function of common vehicle warning lights and what to do should they illuminate.

Tuesdays 7.30 – 9.00 | Duration: 6 Weeks | Fee: €70 | Starts: 29th Jan 2019

Barbering

Barbering is a highly transferable skill that is in high demand. This course comprehensively covers all you need to know about working in a professional barber shop including creative and classic cutting techniques, clipper work, fading and blending, styling and finishing, current trends and media influences, client consultation, product knowledge, and working on live models. Each student must provide their own tools (clippers). Own model required.

Tuesdays 7.00 – 9.00 | Duration: 8 Weeks | Fee: €200 | Starts: 29th Jan 2019

Guitar for Beginners

This course is suitable for all ages. It involves learning how to tune a guitar and play basic chords with strumming and plucking styles. Students will gain the skills necessary to play in a variety of styles and will be able to confidently perform some of their favourite songs. Students will need to bring their own guitar.

Tuesdays 7.00 – 8.30 | Duration: 9 Weeks | Fee: €80 | Starts: 29th Jan 2019

Guitar for Improvers

This course is suitable for those who have practiced the guitar before. Students will gain the skills necessary to play in a variety of styles and will be able to confidently perform some of their favourite songs. Students will need to bring their own guitar.

Tuesdays 8.30 – 9.30 | Duration: 9 Weeks | Fee: €80 | Starts: 29th Jan 2019

Photography

This course introduces students to the basic functions of their digital camera. Aspects such as exposure, depth of field, lens and digital capture are comprehensively explained. The class introduces you to the do's and don'ts of composition. You will learn to use available light to help get the most from your portraits and still lifes. Key subjects such as landscape, night photography and flash will be explored. Equipment: You can do this course with either a manual SLR digital camera or an auto digital camera. The class instructor, Declan Hancock, is an associate of the Irish Photographic Federation.

Tuesdays 7.00 – 9.00 | Duration: 8 Weeks | Fee: €85 | Starts: 29th Jan 2019

Drawing & Painting

For all levels. Explore your creativity, learn new skills and develop existing artistic skills. Students can either work with the tutor on specific projects, e.g. painting and drawing techniques, landscapes, townscape, still life, portrait, animals, abstract, mixed media etc. or choose to work individually with tutor guidance. Drawing: A range of materials will be used: pencils, charcoal, chalk pastels, watercolour pencils. Painting: Select from water-based paints, watercolours, gouache and acrylics. Creative Crafts available for those interested, e.g. printing, batik, glass decoration and painting, mosaics etc. Relax and learn with a supportive group of local people. Classes given by an experienced art teacher and artist.

Thursdays 7.30 – 9.30 | Duration: 8 Weeks | Fee: €90 | Starts: 31st Jan 2019

FITNESS & HEALTH

Health and Wellness

Introducing a set of non-formal workshops which are aimed at giving you the practical tools needed to lead a healthier lifestyle. By completing this course, you will learn about the theories and practices of a wide range of physical, mental and social health topics including: the goal-setting practice to becoming your best self, minding your mental health, creating healthy habits, psychological burnout, finding the time for physical activity and the good, the bad and the ugly of social media.

Tuesdays 7.00 – 8.30 | Duration: 8 Weeks | Fee: €80 | Starts: 29th Jan 2019

Yoga for Beginners

Suitable for beginners or as a refresher. Our instructor will take you through techniques in breathing and stretching as part of a slow-paced class. It is designed to help improve your postural alignment, coordination, strength and flexibility while bringing balance to the body, mind and spirit. Please bring a mat, towel and water. Qualified and experienced instruction provided by Fiona.

Tuesdays 7.00 – 8.00 | Duration: 8 Weeks | Fee: €80 | Starts: 29th Jan 2019

Yoga for Improvers

Suitable for those who have practiced yoga before. Our instructor will take you through a variety of breathing and stretching exercises to help improve postural alignment and coordination while building strength, endurance and flexibility. These classes are also aimed at bringing balance to the body, mind and spirit. Bring a mat, towel and water. Qualified and experienced instruction provided by Fiona.

Tuesdays 8.15 – 9.15 | Duration: 8 Weeks | Fee: €80 | Starts: 29th Jan 2019

Body Conditioning and Relaxation Therapy

This toning, circuit class focuses primarily on toning the lower part of the body, in particular, the stomach, bottom, hips and thighs. We will also focus on upper body exercises for the chest, back, shoulders and arms. This class will improve flexibility, cardiovascular endurance, muscular strength, it will tone and result in 'inch loss'. Get that firmer, fitter body in no time!! A short-guided relaxation session is included at the end of the class to help you relax, manage stress, focus, and improve physical and mental health. Bring along a mat, water and towel. The class instructor, Olivia Creegan Smyth, is a health, fitness and life coach working in this area for over 25 years.

Tuesdays 6.45 – 7.45 | Duration: 10 Weeks | Fee: €80 | Starts: 29th Jan 2019

A person is shown from the waist up, wearing a white t-shirt and blue shorts. They are in a sit-up position, with their knees bent and feet flat on the floor. The background is a soft, out-of-focus light blue and white.

HIIT Workout (High Intensity Interval Training)

Described as the best classes to burn fat and lose inches, HIIT workouts are designed to increase your metabolism, burn fat and sculpt the body using bodyweight movements. The class will alternate between short high intensity exercises to increase the heart rate for cardiovascular benefits and optimum fat burn and low intensity exercises which will work on muscle sculpting. The intensity of these classes allows you to continue burning fat even after your workout! Classes are aimed at anyone who is ready to sweat! Each class will incorporate a gentle cool down and stretch at the end. Please bring mat, towel and water.

Tuesdays 8.15 – 9.15 | Duration: 8 Weeks | Fee: €80 | Starts: 29th Jan 2019

Enrol Online @ www.meathnightclasses.ie or www.dunboynecollege.ie

How To Find Us

Take the N3 towards Navan, taking the exit for Clonee. Continue through traffic lights and through Clonee village. As you near the end of the village continue straight over a small bridge and take the first exit at the roundabout. Take the first exit at the next roundabout also. Continue into Dunboyne village passing through a set of lights. At the next lights in the centre of the village turn right. Continue down this road for approx. 1 km and turn left into Dunboyne Business Park. Take the second right in the Business Park and the college is the first left.
